

All NEMO Committee Press Release: 24<sup>th</sup> July 2024

### All NEMOs and all TSOs publish CACM Cost Report 2023

According to Article 80 of the Commission Regulation (EU) 2015/1222 of 24 July 2015 (CACM Regulation), all Nominated Electricity Market Operators in cooperation with all Transmission System Operators are required to annually report on the costs of establishing, amending and operating Single Day-Ahead (SDAC) and Single Intra-Day Coupling (SIDC) which are, for last year, summarized in CACM Cost Report 2023. CACM Cost Report 2023 also provides the forecast for 2024 and the costs of projects implemented by NEMOs and TSOs in certain regions.

The yearly CACM cost report is prepared under the Market Coupling Steering Committee (MCSC) body, which was established in 2022.

The CACM Cost Report 2023 can be found [here](#).

#### About All NEMO Committee:

The All NEMO Committee facilitates the cooperation among NEMOs for all common European tasks necessary for the efficient and secure design, implementation and operation of single day-ahead and intraday coupling. The All NEMO Committee is formed by the appointed representatives of each NEMO.
